- (C) I'm more than willing to sit on the deck while watching the crew do all the work...isn't that what I paid for?!
- (D) Or...

- (C) Given a choice, I'd take "other."

**Beach Bars**

- (A) Isn't that what you come to the Caribbean for!? My liver is ready to go, the more the merrier!
- (B) Drinking isn't the priority, but we would like to see a few of the most popular places
- (C) I'd rather have my toes in the sand on a beach as far removed from the bars and tourists as possible
- (D) Other....

**Early to bed early to rise, makes a man healthy, wealthy and wise...**

- (A) Incredibly sound advice! I'm always up at: \_\_\_\_\_, the early bird gets the worm!
- (B) A ridiculous attitude! Everybody knows that night is the best time of day, so don't wake me before: \_\_\_\_\_ !!!

**Civilization has its merits, but...**

- (A) My idea of a vacation is to completely and totally escape.
- (B) Escape is great, but I think it's more pleasant to carry the best bits of civilization away with me, such as wifi, cell phone, laptop etc.
- (C) Or

**Music makes the world go round...**

- (A) I love music on at all times and I will travel with a fully stocked phone/ipod/device ready to DJ away!
